

EAST CHICAGO AND IND. HARBOR

EAST CHICAGO.

The members of the Ladies' Social Union of the Methodist church and the Congregational ladies' Aid society, put in a busy day yesterday serving meals to the members of the election board. Each organization had five voting places to enter to, and as there were seven hungry men to feed at each of these, and four meals, the total number of meals served by the women footed up 240. The meals elaborate the following being served: Breakfast cereal, fried sausage, fried potatoes, hot hams, roast coffee cake, bread and butter and coffee; dinner, chicken with gravy, mashed potatoes, creamed onions or beans, hot biscuits, cabbage salad, hot apple pie, cheese, bread and butter jellie and hot coffee supper, hot meat loaf, baked beans, hot potatoes.

The East Chicago coaches averaged 194 to 195 pounds defeated the C. C. Tigers by the score of 26 to 0. This is the second time these teams faced each other and the Gophers in both games demonstrated their superiority winning the first game by a large score. The stellar work of O'Brien the Gophers fifty and who made two of the 29 points did much to insure victory as did the work of Piper the star center. The Gophers have their first time to be scored on in two years which gives them a good hold on championship honors for that weight in Lake County.

St. Mary's parochial school children voted yesterday. Father Lauer springing this as a surprise on the pupils, who were thereby forced to use their own judgment in the matter, having had no opportunity to consult with their parents on whom to vote for. The result was as follows on the three principal candidates: Boys seventy and girls sixty-four for Wilson. Boys fifteen and girls sixteen for Taft. Boys ten and girls five for Roosevelt.

At the McKinley school some interesting figures on the election were also evolved. The children here voted on the state and county tickets and the following were the results: State ticket, total vote cast, 92; republicans, 45; democrats, 47; progressives, 40; prohibition, 1; socialists, 23; socialist labor, 2. County ticket, total vote, 90; republicans, 24; democrats, 37; progressives, 35; prohibition, 3; socialists, 23.

Miss Lillian Dixon will play this evening at a Ben Hur lodge entertainment in South Chicago.

The No Name will meet this afternoon at the home of Miss da Phillips of Beacon street.

Miss Lindley, secretary of the Associated Charities, announces that she has found the need of a quantity of children's clothing among the people she has visited. She suggests that this need can be met very nicely by contributions from people more fortunately situated who may have on hand garments outgrown by their own children, but with still some wear in them. Any one having clothes to contribute is requested to call Miss Lindley up by phone No. 463R.

INDIANA HARBOR.

The Round Table club is meeting this afternoon in the Commercial club rooms. The program deals with Robert Browning and will open with a piano recital by Mrs. Neil Steyer, to be followed by roll call, for which the responses are to be quotations from the love poems of the famous poet. Miss Blanch Hulsh then relates "The Love Story of Robert and Elizabeth Barrett Browning," and following this there is a paper on "The General Characteristics of Browning's Poetry." Mrs. James Osmer contributes a review of "Aurora Leigh" and Mrs. J. A. Judge concludes the program by reading "The Last Ride Together."

Miss Lindley, secretary of the Associated Charities, requests that all who have outgrown clothing on hand and who wish to dispose of the same may do so by communicating with her by phone No. 493. She reports many children among the poor of Indiana Harbor and East Chicago is in need of warm clothing.

The Baptist Ladies' Aid society of Indiana Harbor will hold its monthly business meeting and tea tomorrow afternoon at 2:30 o'clock at the home of Mrs. Andrew Wickey, 623 145th street, East Chicago. The members will leave Indiana Harbor on the 2 o'clock train.

Miss Elsie Fox, who recently re-

turned from a long trip abroad, where she went for the benefit of her health, is laid up with rheumatism. She has been confined to her bed for two days.

Hoyd Johnson, who is sick with typhoid fever, was reported in a critical condition last evening. The patient had suffered six months since Saturday which greatly weakened him, two of the hemorrhages having been experienced yesterday afternoon.

The Girls' Social club of the Methodist Episcopal church will meet with Miss Mary Andrews, 3824 Hemlock st., Friday, Nov. 8.

Mr. and Mrs. William Fox are entertaining their nephew, William Maxey, and two of his friends, Messrs. Parry and Harris, all of Bluffton, England.

The young men are thinking of locating in this region if the outlook pleases them. They arrived last night. The East Chicago coaches averaged 194 to 195 pounds defeated the C. C. Tigers by the score of 26 to 0. This is the second time these teams faced each other and the Gophers in both games demonstrated their superiority winning the first game by a large score. RUNYON THINKS HARVARD WILL BEAT YALE

But Admits Bulldog Is Bad Actor When It Sees Anything in Crimson.

New York, Nov. 6.—If Princeton defeats Yale and Yale defeats Harvard, how much are we bid for the football title of 1913?

This is a fine puzzle to push at people, but duty compels. The Tiger has a chance to trip the Bulldog, and the canine is ever liable to bite his address in the Crimson blankets. Thus we relapse into a high fever of uncertainty until the Yale-Princeton encounter is over.

Harvard should give Yale one of those close decision triumphs this year, if the showings of the two teams to date can be taken as the basis of the polemic. But Harvard always has to contend with a strong New Haven prejudice against anything or anybody from Cambridge.

The Blue eleven is classed as an enigma, which is as serious an affliction in football as it is in the dictionary, and it will take the Princeton game to develop all the films of weakness as well as strength. Even then the Harvard eleven will still be handicapped when it faces the Bulldog by the fact that it comes from Harvard, which is a very grave offense in the eyes of Yale.

While the youthful, square-jawed Charley Brickley kicked a hole in the door of football fame large enough to admit the entire town of Everett, Mass., whence he hails, we find that it was the No. 14 boat of another young man in the same Saturday which really loosened the panels. We refer to the Fenton of left and fame, whose legs were the chief subject of a ruffian discussion among the Tigers after the catastrophe.

"Fenton seemed able to place the ball wherever he wanted to, and that was usually where he wasn't," commented a young Jerseyite with a swollen nose and no great grammatical finesse. "He lifted it at the most amazing angles, and it was the hardest ball to handle I ever saw."

NEWSPAPER VERDICT GOES FOR MANDOT

Wagers Are Paid on Decision of New Orleans Sporting Writers.

New Orleans, La., Nov. 6.—Wagers on the Wolgast-Mandot fight here, Monday night, were decided by opinion expressed by the sport writers of the four local newspapers, in favor of the backers of Mandot.

The fight, according to agreement, was without a referee's decision and the wagers, running into several thousands of dollars, were based on the newspaper men's decisions. Two papers gave the fight to Mandot and one called it a draw.

The referee said that Mandot had a "narrow escape" in the third round, that "he weathered the next round up to the sixth," that his clean work from that to the middle of the seventh evened the fight; and that "he undoubtedly had a clean shade during the last two rounds and a half" and "must be considered a strong contender for Wolgast's title."

GEORGETOWN LEADER HURT

Washington, D. C., Nov. 6.—"Jack" Hugarty, captain of the Georgetown university football team, it was announced today, is suffering from injuries so serious that he never will play in the game again. In the struggle Saturday with the University of North Carolina Hugarty sustained a broken ankle, in addition to a torn ligament in his leg, while he also is on the verge of a nervous breakdown. He is confined to a hospital. His absence from the lineup still further cripples the team, which is reported to be in a bad way.

NO NEW CUB PARK FOR TEAM IN 1913

Inability to Secure Permit to Build Given as Reason for Delay.

Because President Murphy has not secured a permit to build a new park the Cubs will perform next season at the old stand. As there is a law forbidding an amusement enterprise from being conducted within a certain distance from a hospital, and as the present park is within fifty feet of the Cook county hospital, the Cub manager, it is said, has been unable to secure the necessary documents for the reconstruction of the plant.

The west side magnate while in the east a few days ago looked over the new Brooklyn park to obtain some ideas for the construction of his stands. He declared yesterday that he now has new plans and it will take two or three months before the specifications are drawn up. As this will be too late to start building and have the plant in readiness for the opening of the season there will be no new park on the west side in 1913.

Before he left for the coast, former Manager Frank Chance wanted to wage some money that Murphy would not break ground for a new plant this year. The P. L. asserted the Cub boss never had any intention of building for another year, at least, and the magnate's announcement bears Chance out in his statement.

SAY WOLGAST ON DOWN GRADE

The result of the Wolgast-Joe Mandot fight at New Orleans has given local fighters and those closely connected with the game the impression that the Michigan wildcat is about through. Local maulers were almost unanimous in their opinions yesterday that if the fight had gone a longer distance Wolgast would have been knocked out.

"This battle certainly shows that Wolgast is on the down slide," Packey McFarland said yesterday. "It is little wonder he called off his battle with me in New York a short time ago. Willie Ritchie beat him when they met last on the coast on Thanksgiving day. Willie is fighting in great shape and a strong, rugged, clever boxer, will have little trouble in beating the champion. I am sorry I never got a chance at Wolgast and I guess I'll have to be content with seeing the lightweight title go to another man."

McFarland said yesterday he would be only too glad to meet Jack Britton, the north side lightweight, who certainly is coming to the front at a rapid rate. All some club has to do is to do is to put up the coin and the south side Irishman said he will accommodate the north slider.

Because it was election day there was little activity in the local gymnasiums. Most of the fighters and their managers were busy at the polls endeavoring for their favorite candidates.

CHALLENGE FOR OAK PARK TEAM

Lafayette high school of Buffalo has challenged the champion Oak Park team and supports its claim to recognition by a record of 193 points in six games and a clean sheet on its own side of the ledger. The Buffalo boys have defeated teams claiming the intercollegiate titles of New York and Ohio and have an undisputed claim to the championship of the great lakes.

The Lafayette team is being coached by Guy A. Crow, a former Iowa athlete. The Buffalo boys prefer to play at Buffalo, but are willing to play in Chicago. As Oak Park is negotiating for a post-season game with Everett high school of Boston it is possible the local champions may make a trip east and play at Buffalo and Boston.

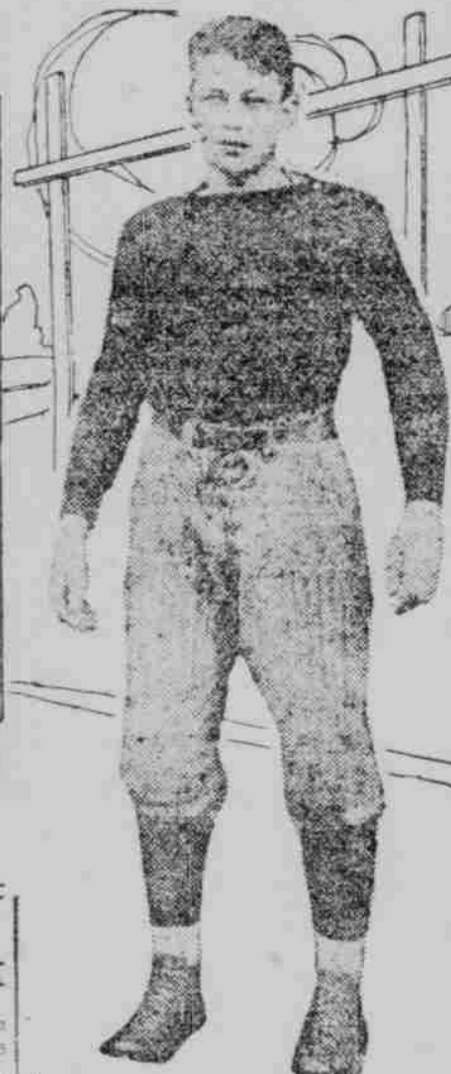

ARMY WILL TEST CARLISLE INDIANS

Carlisle, Pa., Nov. 6.—The hardest test which the triumphant Carlisle Indians will have in the present football season comes next Saturday, when they meet the Army at West Point. Owing to the effectiveness of the Army defense, it is seldom that any opponent thrives much in point making, even if it beats the West Pointers. The Army has as good a pair of ends as any team in the east, and probably the best offensive linemen in the country, but Carlisle hopes nevertheless to keep up its average of 37 points a game.

MAROONS START HARD WORK

Strenuous preparations for the Northwestern game on Saturday were begun yesterday by Coach Stage. Coach Hammett's men are reported to be confident of holding the Maroons to a close score, and a tough tussle is expected between the rival teams.

The use of open plays will be the feature of Saturday's contest, which is to be staged on Marshall field. Smith and Lawler, who will direct the Maroons in the absence of Faine from the squad, are showing up well in the positions. Pierce, the veteran full back, will be in the back field with Norgren and Fitzpatrick or Grey. Grey played a stellar game in the short time he was used against Wisconsin, and hopes are entertained on the Midway that he will prove a formidable factor in the games yet to be played by the Maroons.

The only change in the line for the Northwestern game is the position of Vruwck. Baumgartner, a sophomore recruit, is expected to enter at the left end. Kennedy and Coutable are reserves for the back field, and Caning, Leach and Freeman for the line.

NELSON NOT BARRED.

Cincinnati, Ohio, Nov. 6.—Although Battling Nelson will not appear in a bout in this city next week, there has been no decision of the Cincinnati boxing commission that has caused the promoters of the bout to change their program. The mixup at Chicago last week caused the promoters to look around for another opponent for Gary, and they selected Yankee Schwartz.

Nelson may appear in a bout here later in the season. The boxing commission has nothing to do with the cancellation of the bout.

Charles Ledoux, champion bantamweight of France and claimant of the world's title, who has just arrived in this country, today expressed his willingness to meet any of the American 116-pounders. Ledoux came into prominence by his defeat of "Digger" Stanley in France several months ago. He is credited with fifty-four knockouts in his four years in the ring.

LEDOUX SEEKS FIGHT.

New York, Nov. 6.—Charles Ledoux, champion bantamweight of France and claimant of the world's title, who has just arrived in this country, today expressed his willingness to meet any of the American 116-pounders. Ledoux came into prominence by his defeat of "Digger" Stanley in France several months ago. He is credited with fifty-four knockouts in his four years in the ring.

Sporting Briefs

Manager "Kid" Elberfeld is signing new players in the hope of building up the Chattanooga team. Rumors are floating about in Texas League circles that the Austin franchise is to be transferred to Oklahoma City. John McGraw, manager of the Giants, has made such a hit in vaudeville, that his engagement has been extended a full season.

Handsome Harry McIntire says if Frank Chance will sign a \$1,200 contract with the Cubs, he (Harry) will play for Murphy for nothing.

After a short hunting trip Jim Sheekard and Jim Archer of the Cubs will leave for Florida, where they will spend the winter months.

Olaf Henriksen of the Boston Red Sox, who played such a prominent part in winning the deciding game, is home talent. His home is in Canton, a suburb of Boston.

When Ray Collins and Larry Gardner, of the champion Red Sox, returned to their native state of Vermont, the University of Vermont and the city of Burlington tendered the two boys a great reception.

The Philadelphia Athletics, the New York Giants and the Pittsburgh Pirates have stood pat on their managers for years, while most of the other major league clubs try a new pilot every season or so.

"Big Ed" Walsh of the White Sox was the pitcher oftenest called upon to go to the front, in the big leagues, during the past season. The records show that Ed took part in no less than 81 games.

Vanderbilt which beat Mississippi 24 to 0 this year, defeated the same team by 21 to 9 in 1911.

The Yale coaches think that Bomelizer will be able to play against Harvard, if not against Princeton.

The Carlisle Indians are winning everything in sight this season, even going over the border and scalping the Canadians.

Charley Brickley, the Harvard star, is a natural drop-kicker and by constant practice has developed a wonderful accuracy.
